

EXPERIMENT-3

Creating a Gym Membership Enrollment

Roll NO:240701262

Name:Kevin Bharath.P

Aim:

To design and develop a *Gym Membership Enrollment Form* using the *Zoho Creator low-code platform* by using the Basic Fields available in the Form Builder, applying validations, and generating a report for submitted membership records.

Procedure:

Step 1 – Open Zoho Creator

1. Open a web browser.
2. Go to *Zoho Creator*.
3. Sign in using a Zoho account.
4. Select *Create Application*.

Step 2 – Create Application

1. Select *Create from Scratch*.
2. Enter the application name:

Gym Membership Enrollment & Front Desk Management

3. Create the application.

Step 3 – Create Form

1. Select *Create New*.
2. Select *Form*.
3. Choose *Blank Form*.
4. Enter the form name:

Membership_Enrollment_Form

5. Open the Form Builder.

Step 4 – Add Member Details

Add the following fields:

* *Name* → Member_Name

* *Number* → Age

* *Radio* → Membership_Type

For Membership Type, add:

- * New Member
- * Renewal
- * Corporate Enrollment

Step 5 – Add Contact Details

Add:

- * *Email* → Email_Address
- * *Phone* → Contact_Number
- * *Address* → Residential_Address
- * *Single Line* → Emergency_Contact_Name

Step 6 – Add Membership and Fitness Details

Add:

- * *Drop Down* → Membership_Plan
- * *Multi Select* → Preferred_Activities
- * *Multi Line* → Fitness_Goals_Medical_Notes

Example Membership Plan values:

- * Monthly Plan
- * Quarterly Plan
- * Half-Yearly Plan
- * Annual Plan

Example Preferred Activities:

- * Weight Training
- * Zumba
- * Yoga
- * Cardio
- * Swimming

Step 7 – Add Scheduling Details

Add:

- * *Date* → Preferred_Start_Date
- * *Time* → Preferred_Workout_Slot

Step 8 – Add Health Declaration

Add a *Checkbox* field:

Health_Declaration_Waiver

Set the checkbox as mandatory so that the member must agree before submitting the form.

Step 9 – Organize the Form

Create the following sections:

Section A – Member Details

* Member Name

* Age

* Membership Type

Section B – Contact Details

* Email Address

* Contact Number

* Residential Address

* Emergency Contact Name

Section C – Membership & Fitness Preferences

* Membership Plan

* Preferred Activities

* Fitness Goals / Medical Notes

Section D – Scheduling & Health Declaration

* Preferred Start Date

* Preferred Workout Slot

* Health Declaration / Waiver

Step 10 – Configure Validation

Set the following fields as *Mandatory*:

* Member Name

* Contact Number

* Age

* Membership Type

* Membership Plan

* Health Declaration / Waiver

Configure:

* Email → Email format validation

* Phone → Indian phone number format

* Age → Minimum *14, Maximum **75*

* Preferred Start Date → Past dates should not be allowed

* Health Declaration → Must be checked before submission

Step 11 – Create Report

After saving the form, create/open the associated report.

Rename it as:

Membership_Enrollment_Report

The report displays all submitted membership records.

Step 12 – Enter Sample Records

Enter at least three sample records.

Record 1

* Member Name: Vignesh Raja

* Age: 27

* Membership Type: New Member

* Membership Plan: Quarterly Plan

* Preferred Activities: Weight Training, Yoga

Record 2

* Member Name: Arun Kumar

* Age: 31

* Membership Type: New Member

* Membership Plan: Annual Plan

* Preferred Activities: Cardio, Zumba

Record 3

* Member Name: Priya Devi

* Age: 24

* Membership Type: New Member

* Membership Plan: Monthly Plan

* Preferred Activities: Yoga, Zumba

Step 13 – Test the Form

1. Open the *Preview* of the form.
2. Enter valid member information.
3. Try submitting the form without mandatory fields.
4. Verify that validation messages are displayed.
5. Select a valid membership plan and activities.
6. Check the health declaration.
7. Submit the form.
8. Verify that the record appears in the report.

Workflow

Open Form → Enter Member Details → Enter Contact Details → Select Membership & Activities → Enter Schedule → Accept Health Declaration → Submit → Validation → Record Created → Report

Learning Outcomes

After completing this experiment, we can:

1. Create an application using Zoho Creator.

2. Create forms using the low-code Form Builder.
3. Understand and use different Basic Field types.
4. Configure mandatory fields and validation rules.
5. Organize a form into logical sections.
6. Create reports from submitted form data.
7. Test and verify a low-code application.
8. Understand how form data can support member onboarding.

The screenshot displays the Zoho Creator Form Builder interface. The browser address bar shows the URL: `creator.zoho.in/appbuilder/kevinbharath.p.2024.cse_r412/gym-membership-enrollment-front-desk-management/formbuild...`. The interface includes a top navigation bar with a 'Done' button. The main workspace is divided into three sections:

- Left Panel (Field Types):** Contains icons for various field types: Number, Date, Time, Drop Down, Radio, Multi Select, and Checkbox.
- Center Panel (Form Fields):** Displays a form with the following fields:
 - member Name *
 - Email address *
 - Residential Address
 - Phone *
 - Single Line *
 - Multi Line
 - Pin Number *
- Right Panel (Field Properties):** Shows configuration options for the selected field (member Name):
 - Field name: Preferred Start Date
 - Field link name: Preferred_Start_Date
 - View Field References
 - Validation: ☒ Mandatory, ☐ No duplicate values
 - Initial value: dd-MMM-yyyy

At the bottom, there is an 'Advanced Fields' section with icons for My Pins, Charts, and Contacts. The Windows taskbar at the very bottom shows the date and time as 8:35 pm on 23/9/2026.
